Helpful ideas and hints for France

France

Websites

There is one website that has very good information.

The website is:
http://europa.eu/About/eu/countries/member/countries/france/index_en.html This website is good, because it gives you many information about France.

Ideas!

- You can add fun facts about France.**
- You can maybe add top ten French foods.**
- Maybe add who is the current president.**
- Try listing popular places in France.**
- Make sure it's neat!**

Websites

A good website is www.mapsofworld.com/France/ because, It also shows you where everything is even for tourists. Another hint is try making your project neat and easy to understand. Don't add information you don't need to add in your research.
