

Introduction to the brochure,
This brochure is created to help you on your project and find websites for facts images. I rated the websites on how the website appeared and how the facts were told

8th grade digital literacy
Magee Middle School

Italy

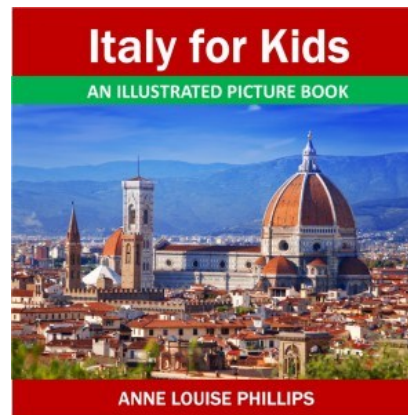

Websites

- Www.kids-world-travel-guide.com/Italy-facts.html
- I picked this website because you can find usefully things to talk or write about this is also age appropriate for kids.

A Book About Italy

This book is a great book that will help kids with there project. You can find this book on the internet or in your local library.
