**Communities thrive @ your library®: celebrate National Library Week at the Round Lake Area Public Library, April 11-17**

(ROUND LAKE, IL) – It's National Library Week, a time to celebrate the contributions of libraries, librarians and library workers in schools, campuses and communities nationwide.

The Round Lake Area Public Library is celebrating National Library Week with a spring coloring contest, storytimes for toddlers and preschoolers, adult and teen computer classes, BOOK IT Adult Book Discussion Group, a Pet Expo family event, family movie night, and a food for fines campaign.

“Libraries are the heart of every community and our library helps our community thrive,” says Elena Lara, Public Relations Coordinator. “At the library, people of all backgrounds come together for community meetings, lectures and programs, to do research with the assistance of a trained professional, to get help finding a job, or to find homework help. A new language learning station featuring Rosetta Stone software will soon be available!”

First sponsored in 1958, National Library Week is a national observance sponsored by the American Library Association (ALA) and libraries across the country each April.
