## It's a Whole New World @ your library®

### Celebrate Library Card Sign-up Month with The Smartest Card

"A library card has always been the most important school supply of all," says Elena Lara, Public Relations Coordinator. "Today's libraries are thriving technology hubs that millions rely on as either their first or only choice for computer and Internet access. In doing so, libraries provide children with not only the tools to be literate, but information literate as well. There's a lot happening at the Round Lake Area Public Library, and the best part for both children and parents – in these though economic times - is that it's all free with a library card." Visit [www.ala.org](http://www.ala.org) for more information.

### Making a Difference

Public library programming and books for children make a difference in the lives of students. By providing school-age children with engaging programs and amazing collections, students from all backgrounds become excited and enthusiastic readers. Sign up for your library card today. It will be the smartest card in your wallet.

Septiembre es el mes nacional de inscripción para tarjetas de biblioteca. "La tarjeta de biblioteca ha sido siempre la herramienta escolar más importante de todas", dice Elena Lara, Relaciones Públicas. "Las bibliotecas de hoy son centros prósperos de tecnología de la cual millones dependen como su primera o única elección para acceder a la computadora y la Internet. Siendo así, las bibliotecas proveen a los niños no solamente con las herramientas para saber leer y escribir, sino también saber encontrar información. Hay muchos acontecimientos en la Biblioteca Pública de Round Lake, y la mejor parte para ambos niños y padres – es que en estos tiempos de retos económicos – todo es gratis con una tarjeta de biblioteca." Obtenga su tarjeta de usuario hoy! Llame (847) 546-7060, oprima 3. Visite la página de Internet [www.ala.org](http://www.ala.org) para más información sobre esta campaña.

## Plantar Una Promesa - Jardín Libre de Tabaco y la Campaña Nacional del Listón Rojo en Octubre 2010

La biblioteca fue una de más de 150 organizaciones que participaron en el programa de Lake County Departamento de Salud "Plant a Promise" en Octubre de 2006. El jardín de la biblioteca celebra a las personas cuyo vidas han sido afectadas por enfermedades relacionadas con el tabaco. El jardín es un Hábitat de Vida Silvestre Certificado por el National Wildlife Federation. La Campaña es observada la tercer semana en Octubre. Apoye la Campaña usando un listón rojo para crear consciencia sobre la prevención del consumo de drogas entre la juventud.

La Campaña del Listón Rojo inicio cuando ocurrió el asesinato del agente antidrogas de la DEA Enrique Kiki Camarena, en 1985 en México, a manos de narcotraficantes. Recordaremos a Camarena como ejemplo de entrega en la lucha contra el narcotráfico.

## Plant a Promise Tobacco-free Garden & Red Ribbon Week October 2010

The library was among 150 facilities that participated in the Lake County Health Department's "Plant a Promise" initiative during Red Ribbon Week in 2006. Volunteers planted red tulips in the library garden to celebrate those who have chosen to be tobacco-free and to honor those whose lives have been touched by a tobacco-related illness. Red Ribbon Week is observed the last week in October. Join us in wearing a **red ribbon** to raise awareness about drug prevention in our youth. Visit the courtyard to observe nature, enjoy a quiet and beautiful space where you can read, or have lunch. The courtyard is a Certified Wildlife Habitat™ (National Wildlife Federation).

The Red Ribbon Campaign was started when drug traffickers in Mexico City murdered Special DEA agent Kiki Camarena in 1985. This began the continuing tradition of displaying Red Ribbons as a symbol of intolerance towards the use of drugs. The mission of the Red Ribbon Campaign is to present a unified and visible commitment towards the creation of a DRUG-FREE AMERICA. (National Family Partnership)
