# WRLR 98.3 1st GEO AWARDS

Join us for the 1st Geo Awards as WRLR 98.3 FM celebrates its 5th year on the air and also recognizes individuals and organizations who had a role in making WRLR the outstanding community radio station it is.

The GEO AWARD is given to persons and organizations who have excelled in supporting community radio station WRLR by giving of their time, talents and financial support. The award is named after former Illinois Senator Adeline Geo-Karis, an early supporter of WRLR. Geo, as she was known by all, was instrumental in getting equipment so WRLR could get on the air. She threw the switch the day WRLR began its first day of broadcasting on September 2, 2005.

Geo dedicated her life to public service with vigor and vitality, and never waived in her principles to help others, especially those less fortunate.
