On Saturday, September 25, 2010, the Friends of the Round Lake Area Library are sponsoring an “Almost Autumn Market” at the library. The Market hours are from 9 am to 3 pm. We are inviting crafters and artists, food purveyors, as well as purveyors of flowers and plants and hot food concessions.

We have 10 spaces inside, at \$15.00 per space, and more than 30 spaces outside, at \$10.00 per space. There will be limited electricity available. There is a population of 36,000 in the library district with 22,000 registered library card holders.
