

Are you looking for a job? Do you want help researching careers or training?

The Job-Lit Volunteer group is partnering with the Round Lake Public Library to present:

Illinois workNet

A hands-on workshop in the Computer Lab at the library

Thursday, November 11th, 2010
10:00 A.M. – 12:00 P.M.

Illinois workNet is a web-based tool packed with information, resources, and job listings for anyone who is seeking employment or trying to change careers. In this workshop, you will get hands-on help with using this tool. Our tutors can help you find free resources and information on this dynamic website.

Whether you are a computer novice or expert, this workshop is a great place to launch your job search!
